

Welcome to the new version 2 Horsham website! ([Click here for website](#)) It's packed with useful info to help promote the Health and well-being of people with Parkinson's in the Horsham area.

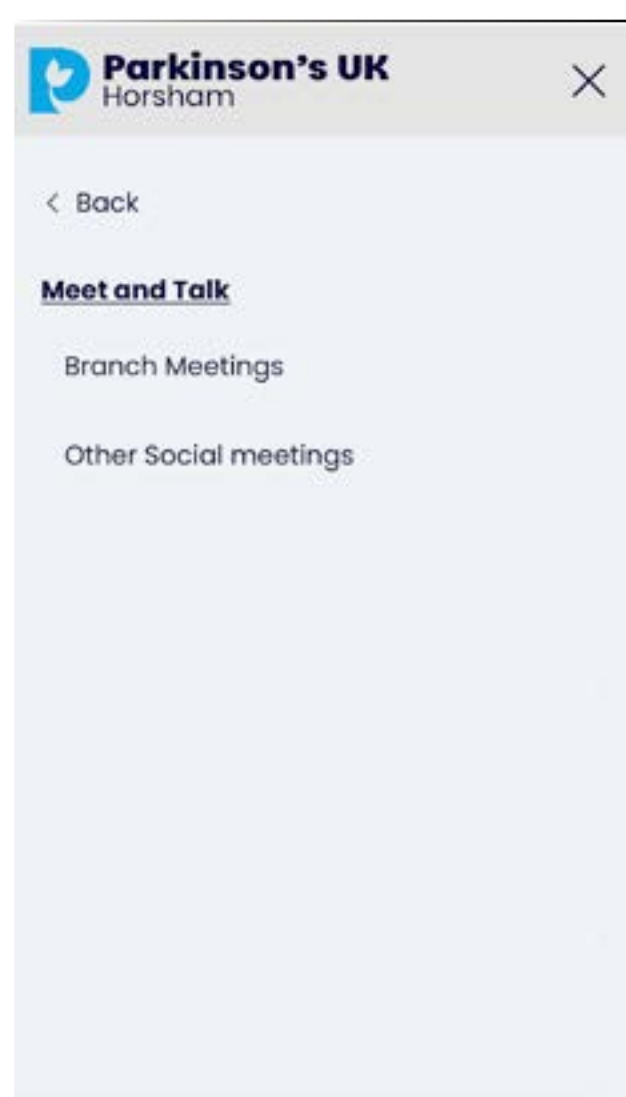

The website looks a bit different on a mobile phone compared to a desktop.

On a desktop, the menu bar is always at the top of the page. You can click on the menu items to open sub-menus. For example, 'Meet and Talk' expands into 'Branch Meetings' and other social events.

On a mobile device, you access the menus by tapping on the three parallel black bars on the top right corner of the screen. This opens the main menu, and you can access sub-menus by

tapping on the appropriate menu item. For instance, 'Meet and Talk' opens up 'Branch Meetings' and other social events.

You can also watch a short video (under 4 minutes) explaining the menu structure and content of the site.
